MORE TO EXPLORE

The area is so beautiful you're sure to want to see and experience more of Turkey. We can arrange hotels and tours in each of these fascinating places.

Istanbul A vibrant, cosmopolitan city where East Meets West! Visit the Blue Mosque, Hagia Sophia and much more.

Akyaka—Built to an old Ottoman style Akyaka has an old-fashioned charm. Once a small fishing resort it is now a small, quiet tourist town with family run small hotels, bars and restaurants just 30 minutes outside Marmaris.

Selimiye—Surrounded by hill terraces, ancient ruins and castles with stunning views this sleepy, small resort is perfect for a few days of peace, quiet and relaxation before joining the gulet. Only 45 minutes beyond Marmaris.

Dalyan: Sitting beneath the magnificent 2000 year old Lycian tombs carved in the rock face. Nestled between the picturesque Koycegiz Lake and the protected Iztuzu Beach, there's plenty to see, maybe even a protected Loggerhead Turtle.

Ephesus and Pamukkale—we can arrange this trip for just one day or include an overnight stop in a hotel. If you haven't yet been to Ephesus it must surely be on your list.
